

Serial No. 10/617,653
Reissue Application of U.S. 6,132,851

Docket No. GOURP0364USA

REMARKS

The present Reply is submitted in response to several telephone calls from USPTO personnel requesting additional submissions. Specifically, the Office has requested a newly executed Declaration from the inventor, a Consent of Assignee, and a Form PTO-1449 listing all of the references of record and listed on the face of the patent. In addition, the amendment filed with the previous Reply to Office Action was objected to as failing to comply with 37 CFR 1.173(d)(1), in that double brackets were used. These papers and corrections are submitted herewith.

In addition, Patentee respectfully requests allowance of the amended reissue claims and allowance of the reissue application.

In the event issues arise as a result of the filing of this paper, or remain in the prosecution of this application, Patentee requests that the Examiner telephone the undersigned attorney to expedite allowance of the application. Should a Petition for Extension of Time be necessary for the present Reply to the outstanding Office action to be timely filed (or if such a petition has been made and an additional extension is necessary) petition therefor is hereby made and, if any additional fees are required for the filing of this paper, the Commissioner is authorized to charge those fees to Deposit Account #18-0988, Docket No. GOURP0364USA.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
